

Scheme of Delegation

S101 delegation of powers

The Scheme of Delegation (s101 of the 1972 LGA), provides delegating authority to the Clerk for making decisions on behalf of the council as and when appropriate. S101 requires formally agreed Terms of Reference by the Council which this document provides.

This scheme of delegation is a temporary measure to facilitate effective decision-making related difficulties that prevent Council from fulfilling its duties and functions under the LGA 1972.

This allows the Clerk to take on the executive role during this time.

Delegation of Power

Section 101 of the Local Government Act 1972 provides:

- That a Council may delegate its powers (except those incapable of delegation) to a committee or an officer.
- A Committee may delegate its powers to an officer.
- The delegating body may exercise Powers that have been delegated.

Any delegation to the Proper Officer shall be exercised in compliance with the Council's Standing Orders, Financial Regulations and any other policies or conditions imposed by the Council and within the law.

The Proper Officer may nominate another named Officer to carry out any powers and duties, which have been delegated to the Proper Officer by Council.

In an emergency the Proper Officer is empowered to carry out any function of the Council, except those matters reserved to Full Council by law.

Where officers are contemplating any action under delegated powers, which is likely to have a significant impact, they must consult a minimum of two Members, including the Chair or Vice-Chair where possible, and must obtain appropriate legal, financial and other specialist advice before action is taken.

The following items may not be delegated to the Clerk:

- To appoint the Chairman and Vice-Chairman in May each year
- To sign off the Governance Statement by 30th June each year
- To set the precept
- To appoint the Clerk
- To make byelaws
- To borrow money
- To consider any matter required by law to be considered by Council.
